

Announcement 12/12/2022

We would like to inform you that the new ID ISSUER IT platform (<https://idissuer2.gsis.gr/>) is available.

The General Secretariat of Information Systems & Digital Governance (GSIS & DG), T&T ID Issuer for Greece and Cyprus, offers a new IT platform for UID generation.

Please, find useful information about the new platform release timetable and significant changes introduced [here](#).
